**JOHN ADAMS INNOVATION INSTITUTE
REGIONAL GRANT PROGRAM**

REGIONAL PRIORITY GRANTS

AMENDMENT TO SOLICITATION NO. 2005-JAII-03

March 25, 2005

Summary

The subject RFP was announced in February 2005 by the Massachusetts Technology Collaborative ("MTC"). The Regional Priority Grant Program is aimed at advancing opportunities for the development, retention, and growth of regional employment in technology-based economic sectors across the Commonwealth.

The following amendments have been made to this RFP (No. 2005-JAII-03):

- **Section 6.0, Application Requirements** – in submitting a Concept Paper, applicants are now required to submit only:
 - One bound document with original signatures
 - One electronic copy (in MS Word/Excel or Adobe Acrobat format).

- **Attachment B, Concept Paper Forms and Instructions** – The Concept Paper Application Cover Sheet includes a new field "Specify Technology/Industry Focus".

All other existing format and terms of the RFP remain in effect.
