Cape Cod Times

Please note that the actual size of the proposed wind farm has been reduced since this map was produced.

Source: Massachusetts Office of Coastal Zone Management

Massachusetts' coastal zone (purple) extends from the three-mile limit of the state territorial sea to 100 feet beyond the first major land transportation route encountered (a road, highway, rail line, etc.). In addition, all of Cape Cod, Martha's Vineyard, Nantucket, and Gosnold are included in the coastal zone. It does not include Nantucket Sound.
